‘Knowledge is power, Unity is strength’

Principal’s Desk

Our basic objective is to develop a student- friendly campus where students can get necessary support for their overall academic development from teachers and the administration. The active involvement of students as well as their initiatives for the betterment of the college is our strength. Recently College went through NAAC accreditation process and secured B++ (2.93) which earlier was B. We seek regular feedback from students as well as their guardians and the feedback is assessed systematically. Conducting regular parent –teacher- principal interactions is one of our best practices.

We have integrated ICT based learning with traditional classroom teaching. Smart class/LMS are being effectively utilized for teaching-learning. Both the advanced and less advanced learners are given equal attention. Audio-visual lectures, webinars and workshops are conducted on a regular basis. Students are provided with opportunities to learn ICT based techniques for skill enhancement. We focus learning in small groups and provide individual learning support.

Our college library is an essential support service for the students. Students are actively involved with different activities like Library Orientation program, Book Fair etc. At a time 40 + student can sit and learn in library.

Along with curriculum-oriented teaching-learning, students are offered Add-on courses which enrich in different angles. Moreover extra -curricular and co-curricular involvement of students like cultural activities, environmental awareness, value education programs are stressed upon. Our college has won many national /State championship trophies (Inter college state games and

sports champion - 2019, CU Inter College Football Tournament 2nd runner- up 2019. We also organize career counseling sessions. Focusing on skill development activities we provide special opportunity for our students to work with trained professionals. Our NSS Unit is active. Through our NSS unit we inculcate core values among our students so that they are able to contribute to society and the nation at large and be future ready in every aspect.

We have a gymnasium with modern indoor sport equipment for the boys and the girls. We also have separate boys' and girls' common rooms, Students' Canteen, purified (cold, normal) water connection. Infrastructure development is our continuous strife . Quality of education and student satisfaction is what we ultimately aim at. We hope that our sincere efforts and perseverance as a higher educational institution shall bear positive results in rendering effective contributions towards teaching –learning . In the process, we strive to reach the twin goals of proficiency and overall growth of students.

Dr. Manishankar Roy, Principal

WE LOVE SGM, IT'S HISTORY

SIR GURUDAS BANERJEE

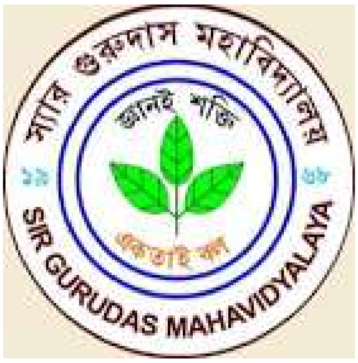
The name of college is after Sir Gurudas Banerjee, First Indian Vice- Chancellor of The University of Calcutta. Again the College owes its legacy to Gurudas College of Commerce, the name by which it was previously known.This college is the outcome of the efforts of the teaching and non-teaching staff of Gurudas College and some social personalities of the locality.

1965:

Govt. of West Bengal permitted the establishment of Gurudas College of Commerce in 1965, with provision for using the infrastructure of Gurudas College in the evening shift.

21 August 1968:

The college was granted affiliation by Calcutta University. The date being followed as the foundation day of the college. The college was granted affiliation by Calcutta University on 21.08.1968, the date still observed as the foundation day of the college.



Emblem of the College

1998:

During the period from 1984 to 1998 a number of initiatives and affirmative actions were taken to set the college on the track of expansion. The extension of affiliation to teach B. Com. at honours level was granted in 1998. .

06.01. 2001:

The college was shifted to its own premise at its present address with the construction of only the ground floor of the college on 06.01.2001. The present-day four storied building has been completed in phases.

It has been gradually converted to multi-faculty, day-shift, co-education College and renamed from Gurudas College of Commerce to **Sir Gurudas Mahavidyalaya**. The college currently runs 3 (three) programs in the Commerce stream, 7 (seven) programs in the Humanities stream and 5 (five) programs in the science stream.

VISION AND MISSION

VISION AND MISSION

VISION :

Our institutional vision is to expand the scope of quality education and make it affordable and accessible to students from all socio-economic backgrounds. We also want to achieve transparency and promptness in the plan of academic action and to improve employability of our students in the highly competitive job market. Our endeavour is to create a foundational knowledge-base of the students grounded on the sense of community and national values. Expansion, access, quality and performance are the four pillars of the college.

Mission:

Academic Excellence: Update curriculum, invest in faculty development, and promote research.
Student Success: Provide holistic education, career support, and an inclusive environment.
Infrastructure & Technology: Upgrade facilities and integrate modern technology.
Sustainability & Community: Implement eco-friendly practices and strengthen local partnerships.
Alumni & Cultural Exchange: Enhance alumni networks and promote global cooperation.
Financial Stability: Improve fundraising, manage costs, and ensure accessibility.
Stakeholder & Strategic Planning: Engage all stakeholders and update plans regularly.

Students participated in Youth Parliament

AFFILIATION

The college is affiliated to the University of Calcutta since 1968. The college is enlisted under Section 2(f) and 12(b) of the UGC Act.

COLLEGE HOURS

Regular college hours are from 10 a.m. to 5 p.m. Information regarding percentage of attendance are communicated to the students. In order to be eligible for being sent up for the university examination a student must fulfill the provision of Calcutta University regulation regarding attendance at class lectures.

ACCREDITATION

Sir Gurudas Mahavidyalaya proactively pursued NAAC Accreditation, submited its Self-Study Report (SSR) for the second cycle in January 2025. As a result, the college achieved a **B++ grade** with a score of 2.93 on its second attempt. This marks a significant improvement from its previous B grade, reflecting its dedication to academic growth and continuous progress.

Observation of Sir Gurudas Banerjee's Birthday 2021

IQAC
(Internal Quality Assurance Cell)

Internal Quality Assurance Cell (IQAC) As per the NAAC guidelines, the college has an IQAC to ensure maintenance and improvement of infrastructural facilities and academic output. The IQAC has teachers, college staff, student representatives and eminent members of the civil society as its members.

LOCATION

It is about 4-minute walk from Bidhannagar Railway Station and about 5-minute walking distance from Ultadanga-HUDCO Morh. The college is well connected by buses, trams and railway service.

GOLDEN JUBILEE

Sir Gurudas Mahavidyalaya completed its golden jubilee on 21st August 2018. In these 50 years college has developed gradually, expanded from a single discipline to a multi-discipline institution. It has served the local community as well as students from other places of Kolkata and outside. The college celebrated this occasion through various academic, cultural and social extension programs. A bust of Sir Gurudas Bandyopadhyay was erected in the college.

A cultural program involving students of the college and local children was held in the college. The high point of celebration was a gala program held at Mohit Moitro Mancha graced by the august presence of the honorable former governor of West Bengal Sri Shyamal Sen and several other distinguished dignitaries.

Guidelines on 4 YEAR B.A./B.Sc. (Honours with or Without Research under CCF, 2022)

ELIGIBILITY CRITERIA

1. (a) A student who has passed the Higher Secondary (10+2) or its equivalent Examination is eligible to seek admission to the 1st year of the B.A./B.Sc. (Single-Major) Course of Studies provided the candidate has also passed in English having full marks not being **less than 100 and fulfills the conditions as laid down in clause 5, 10, 11 and 12 (Refer -CSR /05/2023).**

However, no student shall be allowed to take admission after a lapse of more than 3 years from the year of passing the previous qualifying examination.

(Explanation: The year of admission shall not be taken into account while calculating three years from the year of passing the previous qualifying Examination).

(b) Students who have passed the Higher Secondary (10+2) Examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) *need not require to submit the Migration Certificate for getting Registration under this University.*

For the purpose of determining eligibility for admission to the B.A./B.Sc./ (Single-Major) Courses, aggregate marks shall be calculated by adding the marks in top-four subjects in order of marks secured by a student. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. However, if the subject “Environmental Science” is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

Guidelines on 4 YEAR B.A./B.Sc. (Honours with or Without Research under CCF, 2022)

ELIGIBILITY CRITERIA

(a) A student taking up Major Course in a subject must have obtained:

i. **A minimum of 50% marks in the aggregate and 45% marks** in the subject or related subject at the previous qualifying examination.

Or

ii. **55% marks in the subject or related subject** at the previous qualifying examination.

Or

iii. **50% marks in the aggregate when** the student has not studied the subject in his/her previous qualifying examination provided all other clauses are satisfied.

(b) **Students belonging to Reserved Categories** taking up Major Course f Study must have obtained a minimum of 40% marks in the aggregate or 40% marks in the subject or related subjects at the previous qualifying examination, as the case may be.

Seat reservation for admission in the first year class of four-year (eight semesters) degree courses of studies shall be guided by the West Bengal State Higher Educational Institutions (Reservation in Admission), Act, 2013 and the West Bengal State Higher Educational Institutions (Reservation in Admission) Rules, 2014 and Memorandum No. 339-Edn (CS)/OM-74L/2023, dt. 26.05.2023.

SIR GURUDAS MAHAVIDYALAYA

Various Facilities for SGM Students

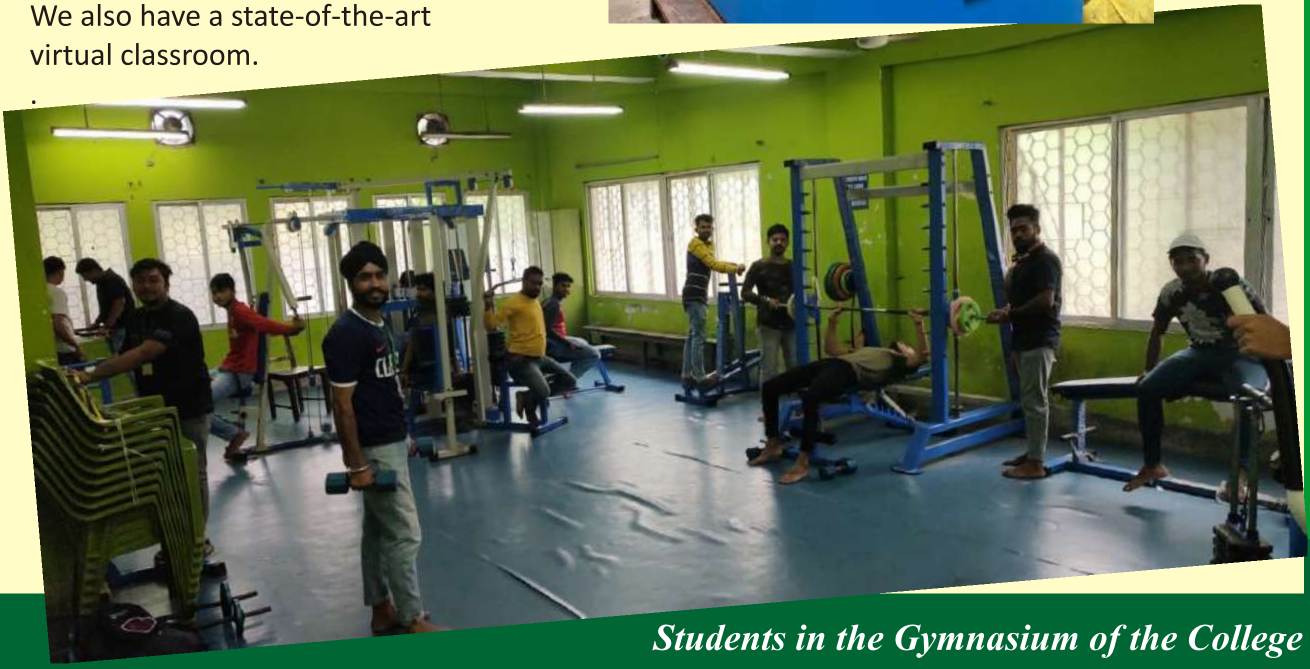
Facilities for Students

Saraswati Puja Celebration.

The Campus:

The college campus is built
on an area of around 1244.13 sq. mts.
The campus is well ventilated with
 sufficient open space on all sides.
The college has 33 classrooms,
seminar rooms and departmental cubicles,
offices and canteen. All science
departments have well-equipped
laboratories. Two class rooms have ICT
and internet facilities with good quality
projector and internet facility
We also have a state-of-the-art
virtual classroom.
.

Teachers' Day Celebration



Students in the Gymnasium of the College

Facilities for Students

The Central Library:

A student who utilizes the library facilities along with the classroom teaching gains the true potentiality in doing good academic results and be future ready.

The college has a well-stocked library with more than 14,000 books, journals, newspapers, magazines, educational CDs and DVD collection

☐ Our endeavors are to provide complementary ambience to classroom teaching for satisfying the academic requirement of the students.

☐ Our initiative is to provide updated learning infrastructure with maximum utilization of ICT.

☐ Our pursuits are to provide support for holistic development of the students.

Students with teacher in the Reading Room of Central Library.

Library Automated with KOHA Integrated Library Management Software.

Member of INFLIBNET NLIST for access to high quality e-resources (e-books and e-journals).

LIBRARIAN:
Dr. Suchismita Majumdar
M.Sc.,MLIS, Ph. D.

Accomplishments:

Augment the teaching-learning process by adopting student encouragement techniques for effective use of the library.

Conduct Library extension and outreach activities.

Conduct Soft skill development programmes for developing Key skills required to help the students to build upon those skills to apply them in different settings for personal development and workplace.

Conduct ibrary induction classes or correlating the teaching process with the library usage of the students so that a completion in the cycle of academic input of the teachers is achieved.

Conduct ibrary Interaction Sessionsto transorm the ambience into a more student friendly and interactive space.

Enhance and inculcate the essential skills for original research among undergraduate level students.

Facilities for Students

Computer Science Laboratory

The department provides facility for both software and hardware lab. The hardware lab consists of adequate amount of equipment like CRO, Function generator, Projector, IC etc. Advanced sofware and high configuration PC are present in software lab to meet the need of the curriculum.

Physics Laboratory

Honours and general laboratories are accessible to students and stuff. We have three laboratories: One electronics, one non-electronics (dark room) and one separate computer lab. We have some high-performance digital instruments like CRO, Function generator, Power Supply etc.

Mathematics Laboratory

There is a separate computer lab which is used for Mathematical programming and computing. ome modern computing software like MATLAB, Mathematica etc. are installed in these systems.

Chemistry Laboratory

Chemistry department has well-furnished laboratory which felicitates the students to perform their experiments and chemical reactions.

ICT & other Facilities for Students

IT Club Programme

Library orientation Programme for students

ICT (Information and Communication Technology) facilities:

Internet facilities,computer facilities for practice classes are available to students. The modernteaching equipment include several smart boards, overhead as well as portableshot through projectors, Audio-Visual Aids, DVDs, broadband internet connection, LCD Projectors etc. These are used along with the traditional chalk and-talk classes to make the learning experience more effective.

Film adaptations of literary texts are arranged by the departments of English and Bengali. Various departments invite learned academicians from other colleges and universities on a regular basis to deliver special lectures for the benefit of the students.

ICT Based Classes for the students

Student Support Services and Achievements

National Service Scheme (NSS)

Two NSS Units with 100 volunteers each conduct extension activities throughout the year. The 1st Unit was established in 2008.
The university granted permission for a 2nd Unit in 2013.
Students are encouraged to join the NSS Programme at the beginning of the academic session during the orientation programme.

Recent Activities of NSS

- Save Drive Save Life
- Clean Campus Green Campus Drive
- Health Awareness for Women
- Water Stall for Commuters
- Creative Idea
- Jal-Chhatro for nearby locality
- Interaction with School children.
- Tree Plantation
- Participation as Volunteer.

Student Support Services and Achievements

"1st at Kolkata Kanyashree-2021"

Our college won first place in Kolkata Kanyashree in 2017, WB Govt.

Mechanisms of Grievance Redressal

For better protection of students' rights and interests as well as to address their grievances and find solutions to their problems the college has a Grievance Redressal Cell.

Following the recommendations of the Honorable Supreme Court of India and the UGC Regulations of 2009, the college has taken a zero-tolerance policy towards incidents of ragging and has constituted an Anti-Ragging Committee specifically to deal with complaints of ragging and to spread awareness about it. On accordance with the requirements of POSH Act 013 he college has an Internal Complaints Committee (ICC) to ensure gender justice and gender equality on campus.

Remedial Coaching Classes:

Remedial Coaching Classes have been provided for students belonging to SC/ST/OBC/Minorities/BPL categories in both the Honours and General subjects. Students belonging to the general category who are financially constrained have also availed of this opportunity.

Add-on Course

Different departments of the college offer Add-On-Courses on interesting Technical Topics. It also include various topics on Life-skill, Language skill and courses related with professional skills. We try to cover every students to be enlightened with these AOC.

Student Support Services and Achievements

Institutional scholarships and Free-ships given to students:

The college has a Students' Aid Fund. Each year elected number of financially weak students are granted merit scholarships and concession in tuition fees. Financial assistance is available for students under various government schemes such as

Kanyashree Prakalpo **Students' Credit Card**
Swami Vivekananda Merit and Means Scholarship
Aikyashree Prakalpo **SC, ST, OBC Scholarship**
Nabanna Scholarship

Career Counseling Cell

The cell provides information, assistance, guidance and counseling to students regarding job opportunities and placement.
From time to time, the cell maintains correspondence with different organizations, organizes workshops and training sessions as well as campus interviews for students.

Career Counselling Cell :

IPAC (Indian Political Action Committee) Organize a Campus drive for the post of Junior Researcher. And out of 54 applicants 32 applicants selected.

Apprenticeship:
Recently Board of Practical Training, Eastern Region is an organization under the Ministry of Education (MoE), organized an apprenticeship Training program awareness via webinar to join apprenticeship program.

Marble Box BPO based service providers offer opportunities for B.A., B.Com., B.Sc. students and 2 Students selected out of 65 appeared applicants.

TCS : College provide assistance for new opportunities and students participate.

ICSI: Institute of Company Secretaries of India is a premier national professional body in India organise a program specially for B. Com. student for their future path.

Student Support Services and Achievements

Service to the inmates of Sundarban after Amphan.

Blood Donation Camp Initiated by Student Union

Students' Union:

All students of the college are members of the Students' Union. The union arranges for social services and cultural activities. There is a constitution of the Students' Union to regulate its activities including the election and the formation of the Executive Committee of the Union.

- † **Students' Canteen**
- † **Common Room for Girls**
- † **Common Room for Boys**
- † **Adda-Zone for Students**
- † **Napkin Vending Machine**
- † **Gymnasium**

Football team of our college won Inter College Calcutta University championship.
